

Site Engineer – BT

Reference number: 2020/05

Location: Lutterworth

Contract type: Permanent, full-time

Job purpose:

This is a fantastic opportunity to come and work for a growing company with an enviable portfolio of customers. We have an exciting opportunity for a Site engineer to join our engineering team at one of our customer sites BT, Lutterworth.

Reporting to the Site Support Engineering Manager you will be responsible for the routine maintenance, preventative service maintenance, and repair of the automated MHE equipment on site including Pallet handling cranes and a large tote conveyor. You will ensure the equipment is maintained to a high level of operation, and that the system delivers to the required demands.

To be successful in this role it is essential that you are confident at Working at Height and have good team-working skills and the ability to use your own initiative. A qualification in a mechanical or electrical field is also desirable. You must also hold a full, clean driving license.

Qualification:

Mechanical/Electrical formal qualification – Essential

Salary & benefits: Competitive salary, 25 days holiday & bank holidays, option to buy extra holidays, pension, free parking and cycle to work Scheme.

Closing date: 27th March 2020

To apply: Please submit your CV and covering letter to careers@logistex.com

Logistex Ltd is an equal opportunities employer and will consider all applications on the basis of their relevant merits and abilities.
