

Site Support Manager - Avon

Reference number: 2020/07

Location: Corby

Contract type: Permanent, full-time

Job purpose: This is a fantastic opportunity to come and work for a growing company with an enviable portfolio of customers. We have an exciting opportunity for a Site Support Manager to join our engineering team at our newly established customer site Avon, Corby.

Reporting to the General Manager - North Region you will manage the company's site maintenance operation and ensure that the commitments of the support agreement are met at Avon Cosmetics DC. This role will build and sustain a relationship with the on-site customer's management team. Develop and maintain a culture of continuous improvement amongst the team. Have the authority to initiate action to eliminate poor product process and quality system non-conformities and maintain and enhance the H&S culture.

To be successful in this role it is essential that you are an experienced and engaging people manager with the ability to prioritise and manage tasks simultaneously. You will be a self-motivated manager who ensures that customers (internal/external) know what to expect, and can keep customers informed whilst being resourceful to meet complex needs.

Qualification:

Mechanical/Electrical formal qualification – Essential

Management qualification – Desirable

Salary & benefits: Competitive salary, company car / allowance, 25 days holiday & bank holidays, option to buy extra holidays, pension, free parking and cycle to work Scheme.

Closing date: 27th March 2020

To apply: Please submit your CV and covering letter to careers@logistex.com

Logistex Ltd is an equal opportunities employer and will consider all applications on the basis of their relevant merits and abilities.
