

At Logistex everyone has the right and the responsibility to ensure that they (and their co-workers) return safely to their families at the end of each working day.

Anyone can raise a safety issue in an open way. We positively encourage and reinforce behaviours that contribute to excellence in safety performance.

ENVIRONMENTAL POLICY STATEMENT OF INTENT

It is the policy of Logistex Ltd to manage its activities in such a way that reduces their environmental impact to a practicable minimum to demonstrate legislative compliance and social responsibility.

The company is committed to continual improvement of its environmental performance, including a reduction in pollution and waste, and intends to achieve this by setting clear environmental objectives and regularly monitoring progress against them.

In working towards the achievement of its environmental objectives, Logistex Ltd will:

- Develop internal awareness of environmental issues and build environmental responsibility into all aspects of the company's operations
- Encourage and support employee initiatives that contribute to an improved environment in all areas of the company's operations, including offices & sites
- Develop closer working relationships with suppliers and contractors to ensure that they provide products and services that do not transmit environmental problems to Logistex Ltd
- Minimise waste throughout the company and aim for "waste free" processes wherever possible through better utilisation of raw materials and energy
- Operate and maintain plant & equipment to the highest practicable standards, and improve working practices as and when new technology becomes available
- Deal with reputable, registered waste carriers
- Provide advice to customers and end users on the correct use and eventual disposal of products supplied by Logistex Ltd
- Comply with all existing regulatory legislation, consents and codes issued at European, national and local levels, and adopt a proactive stance in anticipating future requirements

To ensure that this policy is effective we will:

- Review it annually, or on significant change to our business
- Make any such changes known to employees
- Maintain procedures for communication and consultation between all levels of staff on environmental matters
