

Logistex provide automated materials handling and software (WMS) solutions for warehousing operations, and we are currently seeking an

## Software Developer – UK based

- Reference number:** 2021/64
- Salary & Benefits:** Competitive salary, 25 days holiday plus public holidays with the option to buy an additional 3 days, pension scheme, tax free childcare, cycle to work scheme, free parking
- Hours:** 37.5 hours
- Location:** UK based
- Contract type:** Permanent
- Role details:** Due to retirement, we are looking to recruit a Software Developer. You will be required to develop and test computer software for warehouse management and control systems based on the Logistex Warehouse System products – LWS Reflex and Analytex.
- Key accountabilities of this role will include but not limited to:
- Develop software as per the system and module design documentation produced for projects, adhering to SOLID principles.
  - Use agreed company standards so that work can be easily understood, checked, and maintained by others.
  - Carry out unit testing to ensure that the software performs as per the design and according to company standards (with respect to screen layouts, behaviour etc.).
  - Develop software within the time specified or provide early feedback where this is not possible.
  - Use experience gained on previous projects and in previous companies to challenge design where there is a more appropriate solution. Use the agreed change control mechanism to do so
  - Use the issue logging system (currently Jira) to report upon faults in core package software.
  - Use the company development tools and computer systems provided for your role
  - Provide support to the client/commissioning team during early life
  - Assist with software build deliveries to test and site environments
- Qualifications:** Highly desirable if you hold a bachelor's degree or equivalent in a relevant technical subject, significant experience in relevant coding languages (C/C++, Java) is essential.  
**No agencies please.**
- Closing date:** 9<sup>th</sup> September 2022
- To apply:** Apply today to start growing your future at Logistex.  
Please submit your CV and covering letter to [careers@logistex.com](mailto:careers@logistex.com)

Logistex Ltd is an equal opportunities employer and will consider all applications on the basis of their relevant merits and abilities.
