

Logistex provide automated materials handling and software (WMS) solutions for warehousing operations, and we are currently seeking a

## Site Engineer – John Lewis Fenny Lock

**Reference number:** 2023-26,27,28

**Salary & Benefits:** Attractive salary, 264 hours holiday per annum including Bank Holidays, pension scheme, tax free childcare, cycle to work scheme, free parking

**Hours:** 1984 hours per annum

**Location:** John Lewis – Fenny Lock

**Contract type:** Permanent

**Role details:** Logistex has been awarded a contract by the John Lewis Partnership to design and implement a solution to optimise their new e-commerce distribution centre at Fenny Lock, Milton Keynes.

As part of this award, we are now looking to recruit a site-based Engineering Support Services Team to service and maintain the newly installed equipment. This site is at the forefront of technology, utilising AMR's and ACR's as part of the automated warehouse solution for goods to person.

As a Site Engineer you will work within the Logistex team on site providing electrical/mechanical maintenance support, ensuring that the automated equipment that Logistex are responsible for is maintained to a high standard and to ensure that the system delivers the required performance for the sites operation.

Responsibilities:

- Reset equipment errors, due to product, equipment, or operator error
- Adhere to the various quality and reporting systems
- Carry out cleaning and hygiene tasks as required
- Participate in team project activities
- Flexibility to cover other shifts, some at short notice
- Support activities with Logistex equipment and systems in response to the customer's requirements
- Communicate and provide information, both internally and externally in a clear and concise manner

**Qualifications:** Mechanical/Electrical Maintenance background. Understanding of automation and control systems. Customer facing skills and good communicator.  
Engineering qualification to NVQ, B-Tec or C&G, HNC/ONC  
MS Office – CMMS (Computer Maintenance, Fluency in English (written and spoken)

**Closing date:** 9th June 2023

**To apply:** Please submit your CV and covering letter to [careers@logistex.com](mailto:careers@logistex.com)

Logistex Ltd is an equal opportunities employer and will consider all applications on the basis of their relevant merits and abilities.
