The role: Are you ready to take on a new challenge? Do you have a passion for numbers, a keen eye for detail, and the drive to create innovative solutions?

If this sounds like you, we would love to hear from you! We are looking for an Assistant Solutions Estimator who is excited to dive into the world of automated materials handling solutions for the logistics industry. In this role, you will work with our team to bring cost-effective and efficient designs to life, helping us deliver tailored solutions that make a real impact.

Key Responsibilities:

- Collaborating with suppliers and internal teams to understand the costs and logistics of creating the best solutions for our clients.
- Preparing and organizing estimates, while supporting project teams as they design solutions tailored to client needs.
- Gathering and maintaining key information that helps us create accurate and competitive bids.
- Assessing and selecting the right equipment with suppliers, helping us stay on top of industry standards and technology.

Qualifications & Experience:

- **Strong Communication Skills:** You are fluent in English, comfortable engaging with clients, suppliers, and team members alike.
- **Technical Curiosity:** You have a broad understanding of technology and are eager to learn more.
- **Flexibility and Travel-Readiness:** Occasionally, you will need to work from client sites (approximately 5% of the time), and you hold a full, clean driving license.
- **Confident Presenter:** Whether presenting to a group of 10 or answering questions in meetings, you feel prepared, clear, and ready to engage

What We Offer:

- A collaborative and innovative work environment with opportunities for career progression.
- Comprehensive training and development to support your growth.
- Competitive salary and benefits, including health, pension, and performance-related bonuses.

If you're ready to advance your career we'd love to hear from you! Send your CV with a covering letter to careers@logistex.com
