

Logistex provide automated materials handling and software (WMS) solutions for warehousing operations and we are currently seeking a

Site Manager - Northfleet

Reference number: 2022-36

Salary & Benefits: Competitive salary, Site bonus, Company car, 25 days holiday plus public holidays with the option to buy an additional 3 days, pension scheme, tax free childcare, cycle to work scheme, free parking

Hours: 37.5 Monday-Friday, may need to occasionally cover shifts outside these hours

Location: Northfleet / Hybrid

Contract type: Permanent, Full time

Role details: Due to promotion we are looking for a Site Manager for our Kimberly Clark site in Northfleet. Build and sustain a relationship with the on-site customer's management team. Develop and maintain a culture of continuous improvement amongst the team. Have the authority to initiate action to eliminate poor product process and quality system non-conformities.

- The achievement of standards of performance relating to customer satisfaction and technical performance.
- Provide support services through the on-site team of engineers and other departments of the company as applicable.
- Ensure that maintenance activities are duly planned, actioned, reported and recorded.
- To ensure that the preparation and maintenance takes place of quality assurance records, H&S records, inspection and training.
- To arrange additional support from the regional team as and when necessary.
- To adhere to H&S requirements; company, customer and legal.
- To ensure training to the required company standard is provided to all staff and to maintain and develop relevant skill levels.
- The achievement of site financial targets.
- To provide effective feedback to the General Manager and other Logistex Senior Managers when requested.
- Have good man management skills to enhance team capabilities.
- Responsible for H&S adherence and monitoring as required by Logistex.
- Recording and secure storage of H&S inspections and reports.
- Demonstrate team leadership by providing motivation, team development and fairness.

Qualifications: Knowledge of warehousing/distribution, 5 years customer facing experience, experience of site supervision, negotiation skills, excellent verbal communication and written skills, excellent financial understanding, strong H&S background and a good understanding of Microsoft suite of software

No agencies please.

Closing date: 8th July 2022

To apply: To start growing your future at Logistex, please submit your CV and covering letter to careers@logistex.com
